ON A SLOW BOAT TO CHINA

I love to get you on a slow boat to China

All to myself alone, — get you and keep you

In my loves ever more, leave all your lovers

Weepin' on a far away shore

FROM RUSSIA WITH LOVE

From Russia with love I fly to you

Much wiser since my good-bye to you

I raveled the world to learn I must

Return from Russia with love

I've seen places faces and smiled for a moment

But oh, you haunted me so

Still my tongue tied young pride

Would not let my love for you show (bon bon bon bon)

In case you'd say no

SOUND OF MUSIC

I go to the hills when my heart is lonely

I know I will hear what I've heard before

My heart will be blessed with the sound of music

And I'll sing once more

ARRVEDERCI ROMA

Arrivederci Roma goodbye good bye to Rome

City of a/million moolit places, city of a million warm embraces

Where I found the one of all the faces far from home.

SUMMERTIME IN VENICE

I dream of the summer time of Venice and the summe r time

I see the cafe the sunlit day with you my love

And though I know we have to be an ocean apart
There's Venice and you and summer-time deep in my heart

Et voila! C'est une longue historire
Un home Une femme ont forge la trame du hasard

ON LONDON BRIDGE /

I walked on London Bridge last night
I saw you by the lamp post light
Then bells rang out in sleepy London town
And London Bridge came tumbling down

DANNY BOY

But come ye back when summer's in the meadows
Or when the valley's hashed and
While with snow
It's I'll be here in sunshine or in shadow /
Oh, Danny boy, oh, Danny boy, I love you so.

MANHATTAN

We'll have Manhattan the Bronx and Staten Island too
It's lovely going through the zoo

マイアミビーチルンバ (イントロのみ)

FAIRWELL JAMAICA

Down the way where the nights are gay
And the sun shines daily on the mountain top
I took a trip on a sailing ship

And when I reached Jamaica I made a stop
 But I'm sad to say, I'm on my way
 Won't be back for many a day
 My heart is down, my head is turning around
 I had to leave a little girl in Kingston town

GIRL FROM IPANEMA

Tall and tan and young and lovely
 The girl from Ipanema goes walking
 And when she passes, each one she passes gees "Ah"
 Oh, but I watch her so sadly
 How can I tell her I love her
 Yes, I would give my heart gladly
 But each day as she walks to the sea
 She looks straight ahead, not at me

LA CUMPALSITA

(演奏)

GIELITO LINDO

He happened to meet her, A sweet Senorita
 One night at a gala fiesta
 A picture in fine Spanish laces
 with one of those pretty faces
 Ay yi yi yi, He won my heart amigo
 He said that he loved no one but me
 So off to the chapel we go-o

CALIFORNIA DREAMIN'

All the leaves are brown () And the sky is gray ()
 I've been for a walk () On a winter's day ()
 I'd be safe and warm () If I was in L.A. ()
 California dreamin' () On such a winter's day (Ah---)

KAIMANA HILA

上を向いて歩こう

幸せは雲の上に

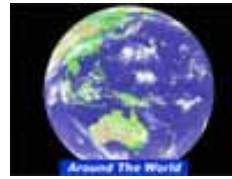

幸せは空の上に
上を向いて歩こう 涙がこぼれないように
泣きながら歩く
一人ぼっちの夜

AROUND THE WORLD

Around the world I've searched for you
I traveled on when hope was gone
To keep a rendezvous
I knew somewhere sometime somehow
You look at me and I would see
The smile you're smiling now

It might have been in country down
Or in New York in gay Paris or even London town
No more will I go around the world
For I have found my world in you
For I have found my world in you
Around the world
